2743 Henry Street #130
Muskegon, MI 49441-3509
klever@imc-products.com

With appropriate training and technique, the product can be used to its fullest.
For additional training information, including videos, contact your local distributor.

Two Hand Positions...

Position 1
For Control and Precise Cuts

Position 2
For Reach and Leverage

A few of the many possible uses...

Straight Box Cut

- Set blade at corner opening of box
- Pull with even force, keeping hands clear of blade
- Repeat for remaining three sides

Packing Tape

- Split end tape with tape splitter
- Swipe through
- Repeat on other end, then down middle of box

Shrink Wrap

- Place blade at edge of wrap
- Pull with even pressure
- Continue around package
